Dear Child Study Team:

Today I am officially requesting a Child Study Team assess my child **First Name Last Name**, born **x/xx/200x**, for a Specific Learning Disability, Dyslexia, ADHD, auditory processing, working memory, processing speed and visual processing. I also want the assessment to include evaluating my child's reading fluency and reading comprehension.

I give the school my informed consent to evaluate my child for all these elements and others you consider appropriate. I respect the RTI/MTSS Process and request the RTI/MTSS Process continue and the assessment be done concurrently. Attached is OSEP's policy indicating that the RTI Process cannot be used to delay or deny an evaluation.

Florida requires educational testing be completed within 60 days. Therefore I expect to have the testing completed by 60 school days from today. I request a date stamped copy of this letter to confirm the date you received this letter. I will do everything in my power to expedite the process, to work with your team and you, and to have the appropriate help for my child. If you have any questions you can contact me at Home xxx-xxx-xxxx Cell yyy-yyy-yyyy. You can contact me by e-mail at **myemail@gmail.com** Thank you for your timely consideration of this matter.

Sincerely yours,
